Subject: ‘Ek Bharat Shreshtha Bharat’ (EBSB) Initiative – aligning Departments Programmes to the EBSB Initiative

‘Ek Bharat Shreshtha Bharat’ (EBSB) Initiative was formally launched on 31.10.2016. A copy of the Programme Guidelines enclosed as Annex-I. All the States/ UTs have been paired in 16 Pairs, called the EBSB Engagement Matrix. The Programme envisages an intensive engagement between paired States at various levels throughout the year. While the paired States/ UTs have to take lead, the Central Ministries are also expected to align their programmes to the objectives of the EBSB Initiative. There is no separate earmarked budget for EBSB. Each Ministry/ Department/ State/ UT has to undertake activities out of their own Budget.

2. The illustrative list indicated in the Programme Brochure include Student Exchanges between paired States, organising NSS Camps of students of one State in locations in partner States, etc.

3. In case of Department of Youth Affairs, NPYAD has provision for “Promotion of National integration (National Integration Camps, Inter-State Youth Exchange Programmes, Youth Festivals, multi-cultural activities, etc.)” (relevant extract enclosed as Annex-II). Inter-State Youth Exchange Programme would be a suitable initiative since EBSB envisages intensive engagement between two States. NYKS can take up programmes with funding from NPYAD. In case of NSS, the programmes could be sanctioned from NSS Budget as well.

4. Thus, for example, is Haryana and Telangana are paired, an Inter-State Youth Exchange Programme could be organised in Haryana, with equal number of youth participants from both States, to facilitate intensive engagement on equal footing. This could be followed by another similar programme in Telangana with different set of youth, again in equal number. Such Programmes could be organised by NSS as well as NYKS.
5. This is only an illustrative suggestion. NYKS and NSS may kindly consider the matter further, concretize their programmes to achieve the objectives of ‘Ek Bharat Shreshtha Bharat’ and submit the same for funding within December, 2016 positively.

"Ek Bharat Shreshta Bharat"

I. Background:
There is no country like India, quite as diverse, multi-lingual and multi-cultural, yet bound together by the ancient bonds of shared traditions, culture and values. Such bonds need to be strengthened through enhanced & continuous mutual interaction between people of varied regions and ways of life so that it encourages reciprocity & secures an enriched value system of unity amongst people of different States in a culturally special country like India.

"Ek Bharat Shreshta Bharat" was announced by Hon'ble Prime Minister on 31st October, 2015 on the occasion of the 140th birth anniversary of Sardar Vallabhbhai Patel (Annexure I). Subsequently, the Finance Minister announced the initiative in his Budget Speech for 2016-17 (Annexure II). Through this innovative measure, the knowledge of the culture, traditions and practices of different States & UTs will lead to an enhanced understanding and bonding between the States, thereby strengthening the unity and integrity of India.

All States and UTs will be covered under the programme. There will be pairing of States/UTs at national level and these pairings will be in effect for one year, or till the next round of pairings. The State/UT level pairings would be utilized for State level activities. District level pairings would be independent of the State level pairings. The activity will be very useful to link various States and Districts in annual programmes that will connect people through exchanges in areas of culture, tourism, language, education, trade etc. and citizens will be able to experience the cultural diversity of a much larger number of States/UTs while realising that India is one.

II. Objectives of Ek Bharat Shreshta Bharat:
The broad objectives of the initiative are as follows:

i. To CELEBRATE the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our Country;

ii. To PROMOTE the spirit of national integration through a deep and structured engagement through a year-long planned engagement between States;

iii. To SHOWCASE the rich heritage and culture, customs and traditions of other State for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity;

iv. TO ESTABLISH long-term engagements and

v. TO CREATE an environment which promotes learning between States by sharing best practices and experiences.

Key Themes:

- To make our people aware about the seamless integral hull of the Modern Indian State spread across a landmass of 32 lakh sq. km, on whose firm foundations, the geo-political strength of the country is ensured benefitting one and all.

- To impress upon people at large about the increasing inter-connectedness between the constituents of various cultural & economic zones which is so vital for the spirit of nation building.

The States/UTs may further evolve and develop the list of activities during the course of their interactions. Relevant Extracts from the Text of PM's address at the “Run for Unity” event on Rashtriya Ekta Diwas 2015 at Rajpath in the context of Ek Bharat Shreshtha Bharat

If 125 crore Indians walk together shoulder to shoulder with the mantra of unity, peace and harmony, then the country takes 125 crore steps in one go. The main strength of our nation is that we are bound together by the principle of unity in diversity. We can do any length to maintain this unity. Unity is the message Sardar Sahib gave us.

In the days ahead, we are going to launch a new initiative under which every State will choose another State each year to promote its language and culture. We are consulting States in this regard. I have set up a small committee to work out modalities in this regard. This is one way of ensuring “Ek Bharat, Shreshtha Bharat”.

For example, if Haryana chooses Tamil Nadu in 2016 in this regard, then at least 100 sentences of Tamil language should be taught to students in each school. People of Haryana should be exposed to Tamil language and culture by suitably organizing some events including Tamil food festival and even trips to Tamil Nadu should be organized. Tamil Nadu should do the same in respect of Haryana including cultural and student exchanges. This would open a new chapter in our country towards further enriching unity. Next year, Haryana and Tamil Nadu should pick up another State for such exchanges which in due course help in understanding each other better besides appreciating the exclusive strength of our country which is 'Unity in diversity'. This is how we can realize “Ek Bharat, Shreshtha Bharat”.

Dr. APJ Abdul Kalam once narrated one of his fabulous experiences. He said that when he embarked on his journey from Rameswaram to Delhi for the first time by train, he came across a new language, new dialect and new cuisine after every hour. He was amazed to get a glimpse of a mini-India on train, abound with diversity, which he could not properly appreciate and understand through books. He comprehended it in one go during his train journey.

By taking pride in this uniqueness of our country and adopting diversity as our way of life will go a long way in further enriching and empowering our country. Today's celebration of Sardar Sahib’s birth anniversary should be a profound occasion for us to draw inspiration in this direction. I pay my respectful tributes and bow to Sardar Sahib. His blessings and those of all others who sacrificed their lives and toiled for Mother India would give us the strength to preserve the national unity and integration as we march collectively to scale new heights of development.

I will recite a pledge here and request you all to take this pledge by repeating it. I request you all to stand in your places, imagine Mother India and recall the memory of all great leaders of our country and particularly, Sardar Sahib on this occasion. Now repeat what I am going to cite.

“I solemnly pledge that I dedicate myself to preserve the unity, integrity and security of the nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of Sardar Vallabhbhai Patel. I also solemnly resolve to make my own contribution to ensure internal security of my country.”

Bharat Mata Ki Jai !, Bharat Mata Ki Jai !,
Annexure II

Budget Announcement, 2016-17:
Ek Bharat Shreshtha Bharat

104. Madam Speaker, for good governance, we have to capitalise on the country’s unity in diversity. To strengthen understanding of each other, it is proposed to create a closer engagement between different States and Districts in a structured manner. “Ek Bharat Shreshtha Bharat” programme will be launched to link States and Districts in an annual programme that connects people through exchanges in areas of language, trade, culture, travel and tourism. We will do this through mutual agreement with participating States and Districts.

105. In 2017, the country will celebrate 70th Anniversary of our Independence. We will chalk out milestones for nation’s journey beyond the 70th Anniversary of Independence. Dr. Toynbee, the historian, had observed that “a chapter which had a Western beginning will have to have an Indian ending……”. My belief is that the year 2017 will unfold the great historian’s dream. Our scheme of “Ek Bharat Shreshtha Bharat” is part of this vision.
