Sub: Massive plantation along the Coastal Line of Odisha.

Sir/Madam,

A massive plantation Programme in the Coastal Area of Odisha is contemplated to be undertaken by NSS units situated in the coastal districts of the State. It is therefore, desired that the NSS units of the Colleges mainly adjacent to coastal area of the State come forward and take up the project on pilot basis since both the State and Central Government are giving top priority to the plantation Programme.

You are, therefore, requested to direct your NSS Programme Officers to undertake the massive plantation programme along the coastal line with the coordination of Divisional Forest Officers and District Administration. I hope, NSS unit of your College will actively participate in this Programme on the occasion of "Vanamahotsava Week" in the month of July, 2016.

This may be treated as most Urgent.

Yours faithfully,
